Sir:

Applicants submit herewith a response to an Advisory Action mailed June 6, 2005. The Examiner has stated that the amendments previously filed have not been entered since they raise new issues. Reconsideration of the application did not place the application in condition for allowance since a petition for priority was dismissed by a Decision on a Petition under 37 C.F.R. § 1.78(a)(3) mailed May 24, 2005 by the Office of

Petitions.. Applicants herewith submit a Request for Continued Examination, Third

Substitute Amendment and concurrently file a “Petition to Correct Priority Claim

Pursuant to 37 C.F.R. §1.78(a)(3)”, together with the appropriate fee. Applicants request an extension time of three months for filing a response up to and including September 4, 2005.
